

ARTIS™ 2

Life is inspiration

Siemens Hearing Instruments  
*Better hearing is better living.*

**SIEMENS**

A school of fish swimming in clear blue water. Sunlight rays filter through the water from the top, creating a bright, ethereal atmosphere. The fish are silvery and sleek, moving in a coordinated pattern. The text "Exploring. Discovering. Sharing." is overlaid in white, serif font in the upper right quadrant.

Exploring.  
Discovering.  
Sharing.

Life is full of opportunities just waiting to be explored, discovered and shared. ARTIS™ 2, a new family of hearing solutions from Siemens, was developed for just this purpose. Offering great performance and reliability, ARTIS 2 helps people with hearing loss fully appreciate all that life has to offer.

and Micro CICs

### **DataLearning™**

“Learns” volume preferences for faster, more precise fitting, and makes hearing a truly personal experience.

### **e2e wireless™**

Harmonizes both instruments to enable natural binaural hearing and ease of use in all listening environments.

### **Feedback cancellation**

Offers excellent performance in dynamic listening situations by eliminating unpleasant feedback (whistling).

### **eWindScreen™**

Minimizes irritating wind noise to provide a natural and comfortable hearing experience when enjoying the great outdoors.

ARTIS 2 S VC

ARTIS 2 P

ARTIS 2 SP

### **Speech and noise management**

Reduces bothersome background and related noises for greater comfort and an enhanced natural hearing experience.

### **Automatic multi-channel adaptive directional microphone system**

Adjusts automatically to the current listening situation in order to improve speech understanding in background noise.

### **AutoPhone**

Provides easy and automatic operation during phone calls to allow complete focus on the conversation.

# Fulfilling needs and

Combining advanced features with established technology, ARTIS 2 supports hearing needs and preferences for a confident, comfortable and personal experience in a variety of listening situations.

## World of wonder

The world holds us in awe with its splendor. With a unique blend of state-of-the-art and proven technologies, ARTIS 2 supports people with hearing loss in their continuing journey to explore, discover and share many of life's sources of inspiration.

Hearing instruments may help people hear better, but no hearing instrument can solve every problem or restore hearing back to normal.
