

FINANCING OPTIONS

Lloyd Hearing Aid Corporation desires to make excellent hearing affordable to everyone by offering a convenient payment plan for any budget on all our products. You can either pay in full when ordering and save \$10 off each aid, or fill out our credit agreement and choose to pay in 4 (four) easy payments.

If you choose to take our standard 4 (four) payment plan, the credit agreement must be filled out, signed and included along with your order and the first payment of 1/3 of the total order amount. Then make 3 (three) monthly payments of 1/3 of the remaining balance. Be assured that all payments are refundable during your 45 day home trial period except for postage and the \$50 non-refundable deposit for custom instruments (for clients visiting our office, the in-office dispensing fee is non-refundable).

OTHER PAYMENT PLANS:

Fill out credit agreement

- 8 payment plan – 1/3 down with order and 8 subsequent monthly payments (15% of financed amount)
- 12 payment plan – 1/3 down with order and 12 subsequent monthly payments (10% of financed amount)

*above plans are subject to acceptance

Monthly statements will be sent reflecting payments received and balances owed.

If these plans do not fit your budget, we can discuss options for a custom payment plan that better meets your needs. Just call 1-800-323-4212 and ask for the credit department.

INSURANCE COVERAGE ON HEARING AIDS:

Medicare does not pay for hearing aids. Private insurance claims normally take 3 to 4 months to receive payment. We will file your claim, but full payment is expected at time of delivery or else the credit agreement must be filled out and payments made monthly. The insurance payment will be applied to your balance and a refund sent to you.
